

ROWAN WOOD CORE PRIORITIES 2026-27

COMMUNITY

To engage with and promote our new building to our school community.

ROUTINES

To maximise learning through morning, lunchtime and end of day routines, with a focus on play and early literacy.

PEDAGOGICAL CPD TOOLS

To organise and publish existing professional development learning materials so that adults can engage in effective, self-directed learning, embedding and extending existing knowledge, skills and expertise.

SENSORY SYSTEMS INTEROCEPTION

To develop adults' understanding of interoceptive systems, enabling children and young people to recognise and regulate their internal states, thereby strengthening emotional regulation.
